RENEW YOUR VISION

CREATING CATHOLIC YOUTH & YOUNG ADULT GROUPS
STRENGTHENING THE CHURCH OF TODAY!

IMAGINE
RENEW YOUR VISION

WWW.DEFENDERSOFTHEHOLYTRINITY.ORG

Renew Your Vision, a play on words to the original work *Renewing the Vision*, helps leaders to reimagine their group or ministry, connecting it to the Parish Name & Mission that will draw youth to Christ. I am sure that your parish, like so many parishes are coming up with innovative ideas – maybe we can throw some spice into your plans.

We use elements of competition shows, such as *Top Chef*, to push the participants to imagine what they could create for the Glory of God. They would not be competing with one another, rather working as groups in sharing ideas, methods, approaches – in the Catholic Way – *Concern for the other*, and allowing the Spirit to show them that unity builds the “Civilization of Love”.

The part of imagination comes from the element of role playing games, which we create scenarios, characters, situations, and obstacles, which encourage the participants to work together in achieving their goals. Once the courses are completed, participants take their writings and experiences to make adjustments to their existing group(s), or begin the creation of a vibrant youth group or youth ministry that grows from the Parish Name and Mission.

Renovando tu Visión

“Renew Your Vision” - The Course.

There are four topics:

1. Her Vision – Your Vision: Youth Ministry done with the Church

An introduction to the teachings of "Renewing the Vision", leading future youth & young adult leaders in becoming that Vision of Hope for their Church.

2. What the name of a Church can do for you!

Focuses on foundations that can strengthen the structure of a group or ministry that leads to Comprehensive Ministry. Similar to Religious Life, Picking a Name for Baptism or Confirmation – One can find vocation, meaning, and purpose in their Parish Name. An area where “Renewing the Vision” does not mention, but when including the 'name" it can be the “mortar” in keeping the group united.

3. Plan Your Vision – Renew Your Church

Focuses on the responsibility of the leader who is the guide, and interpreter of the group mission. A leader who is faithful to the name is faithful to the mission, because the mission is united to the pastor and parish.

4. Bringing the Vision to Life

Focuses on the 8 Components offered in “Renewing the Vision”. It encourages leadership to develop a Comprehensive plan – one that would strengthen community, foster vocations, and so much more. Here, the participant can customize for their Parish, a group mission that supports the Parish Mission.
